USE OF SCHOOL-OWNED TECHNOLOGY BY SCHOOL COMMITTEE MEMBERS

The School Committee allows and encourages its members to use technology to improve efficiency and communication and to decrease waste. To facilitate use of technology, members of the School Committee may borrow school-owned technology for home use related to their School Committee duties.

In order to protect Chicopee Public Schools' investment in technologies, regulations may be developed to govern the use of school-owned technology by School Committee members. Those regulations may be amended periodically as development in technology occurs and the implementation of this policy may warrant.

All other conditions of the Acceptable Use and Internet Safety Policy (File G3) apply to the use of school-owned technology by School Committee members.
