

SCHOOL ADMISSIONS

All persons of school age who reside in the city will be entitled to attend the public schools, as will certain persons who do not reside in the city but who are admitted under School Committee policies relating to nonresident students.

Advance registration for prospective kindergarten students will take place in the spring. Every student seeking admission to school for the first time must present a birth certificate or equivalent proof of age and proof of vaccination and immunization as required by state law and the Chicopee School Committee.

A student transferring into the district, or his/her parent of guardian, is responsible to provide the principal or designee with a complete school record.
