RELATIONS WITH PLANNING AUTHORITIES

The School Committee will participate in local and state planning functions that could directly affect District schools and their immediate environment. The Superintendent of Schools, or his designee, will on behalf of the School Committee share school enrollment figures that it provides to the state with the City Council.

The Superintendent or designee will keep the School Committee informed of planning matters bearing directly on the operation of District schools or school-sponsored programs, and will undertake action on behalf of the School Committee to influence matters in the best interests of the students, the schools and the District.
