What's New

This year's convocation theme given by Mr. Rege was "Building Relationships and Strong Connections."

SIS

We continue to expand our utilization of our Student Information System – SchoolBrains.

Technology questions:
web page: <https://www.chicopeeps.org>

Parent Portal

The Parent Community Portal has been open since the first day of school this year.

School Buildings

All School buildings received infrastructure improvements and updates this summer to 10/1000 HP switches and additional wireless.

CPSGE email

The timely spring transition to CPSGE Google email accounts for all staff has been completed and is now fully operational.

SchoolBrains

HELP Tab – Release Notes: contains all the enhancement information that is part of a release,.

*"The addition of Google Education to our District has the potential to increase collaboration."
Rose Blais*

DID YOU KNOW

All Students at Bellamy, CCHS , CHS and Dupont have been sent their Community Portal credentials.
